Conveniently transport and store away your CX35 in the robust and easily assembled trolley.

ZODIAC®

a better life

Zodiac CX35 Cyclonx Robotic Pool Cleaner

Key Product Features & Benefits

Ebox

Conveniently control cleaner with the touch of a button. Control and customize cleaning settings, simply increase or decrease cycle duration using Timer Adjustment: + / - 30 min. The full filter indicator lets you know when to empty and clean out the filter canister.

Cyclonic Suction

Powerful cyclonic suction technology for optimum and consistent efficiency with no loss of suction power.

No loss of suction power

Captures large debris such as leaves and gum nuts while ensuring constant suction power throughout the cleaning cycle.

Push 'N' Go

Easy and hygienic access to filter canister. Simply press the Push 'N' Go button to release the filter canister and easily empty debris.

Surface Control System (SCS)

The Ebox comes equipped with a Surface Control System which lets you adjust the settings for wall cleaning on rough to smooth surfaces. The LED lights on the Ebox illuminate to indicate pump strength.

Certified to Australian safety standards

Transport and storage trolley

Easy to assemble with a robust and ergonomic design. Easy storage and transportation of cleaner, cable and Ebox.
